

# THE PRAYER LIFE OF JESUS

## I. Power outage

A. Matt. 21:12-14 – Things needed overturned

B. Notice the sequence: Purging; Prayer; Power

## II. The priority of prayer to the Master

A. Prayer was more important to Jesus, at times, than:

1. Teaching, preaching, or healing (Lk. 5:15,16) and working miracles.

2. Being with people and fame (Mt. 14:23).

3. Sleep (Mk. 1:35; Mt. 26:40,44).

4. Making decisions on His own Lk. 6:12

B. We need to take note of the time Jesus spent in prayer and how they are connected to all the great events of His life

## III. The disciple is not above but shall be as his Master

A. Luke 6:40 – If a disciple could attain the same results as Jesus without prayer they would be above his Master. The student would have learned a more effective method than what was taught by his Master.

B. Heb. 7:25 – Jesus ever lives in Heaven to pray on our behalf
