

# REMINDERS OF GOD'S GRACE AND MERCY

**Titus 3:1-8 What should our witness be in a sin sick & lost world?**

## **A. How not to respond**

1. It is not by tolerating evil and abandoning the truth of God's high, holy moral standards.
2. It is not by compromising and adapting down God's holiness to fit our culture.
3. It is not communicating a message that says sin doesn't matter anymore.

## **B. How to respond**

1. We must live by the laws of the land and do good works Titus 3:1,
2. Display godly character Titus 3:2,
3. Remember that we used to be ungodly with some of the same attitudes and behaviors Titus 3:3,
4. We would still be acting like them except for one merciful fact: the kindness and love of God we've received Titus 3:4-7 that saved us.
