

MUCH MORE

1. 1 John 1:9 Divine forgiveness is available because of Jesus's shed Blood and death
2. Jesus's one act of obedience was immeasurably greater (much more) than Adam's one act of condemnation Romans 5:9, 10, 15, 17, 20
 - God's grace is infinitely greater for good than is Adam's sin for evil.
3. Grace did much more abound than sin abounded:
 - We are not only justified and forgiven of our sins but we have been freed from the power of sin ruling in our present life
 - Grace wasn't given so we can keep on sinning and be forgiven but to break its ruling power
4. If we sin, we let it rule by our choice but we do not have to obey it. The flesh cannot control us anymore on its own. It requires our choice.
5. If we yield to sin it brings wages
 - It makes us servants of sin
 - Creates yieldedness to more sin
 - It brings fruit we are ashamed of
 - It brings death
 - It defiles our conscience
